Needed today if possible, as I won't be in tomorrow. I'll be back on Tuesday, after the Memorial Day holiday.

All projects older than 2008, are on the 16th floor. Do you need this file today? If not, I will look for it tomorrow.

Wendy,
Have all the files for this project been put in the spacesaver (on 14 or 20)? I need to locate them. R10 project number: 03-084-FHW. I had them at my desk on 20, but don't recall if I gave them back to you to file, or if I brought them down to 14 in one of the many boxes...! Thanks for your help to check on this.
Elaine
